

The Pastor's Prayer Post

Nov 2011

My house will be called a house of prayer. Matthew 21:13

STARTING THE NEW YEAR WITH PRAYER & FASTING

Blow the trumpet in Zion, consecrate a fast, call a sacred assembly.
Joel 2:15

With 2012 around the corner, I have been praying and considering ways in which I could help you in the New Year. My first thought is kicking off the year with a powerful Prayer & Fasting Emphasis, one of my favourite initiatives for the church!

I know that I don't have to convince you of the value and impact of Prayer & Fasting, individually and corporately. I'm sure you'd agree that there's no better way to begin the New Year than seeking God through Prayer & Fasting. No doubt you have a lot planned for the church and you need all the vision, power, unity, and support that you can get.

On this subject, Mike Servello has said:

"We should fast when we need direction and revelation, a clear vision and strategy because sometimes we can't get clarity. Before we start on a journey, it is better to ask God to bless the journey. If we want a victory, we must seek of the Lord a right way.

As you're escorting people from point A to point B, seek of Him a right way. 'God, You protect us, You take us through, give us insight and revelation. God, we're sealing this year in with prayer. May the blessing of the Lord be upon us. Before we take a first step, we are giving you the first fruits of our year!'"

How can I help you with your 2012 Prayer & Fasting Initiative?

1. I would like to offer you a Prayer & Fasting Pamphlet for your congregation, personalized with your church name and logo, which would include examples of different ways to fast, goals for fasting, and prayer focuses. If you like, you could provide me with some specific areas which you'd like covered in the focuses or I can provide the standard points which are very effective.
2. Also, I will include a companion DVD to play for your congregation as you launch the period of Prayer & Fasting.
3. I would be honoured to assist in launching the Initiative by speaking on prayer at your church.

In the past I have not charged for my services and it has been a true blessing for me to serve in that way over the past 19 years. However, like many others, my financial situation has changed and I am now in need of partners in ministry who would also like to see prayer ignited in churches and individuals. (My position as Pastor of Prayer for Four-square Canada is also a volunteer position.)

If you would like the above Prayer & Fasting Pamphlet and DVD, would you please help me with a gift of \$25 or more to my ministry, His Path Christian Centre? His Path is a registered charity and tax receipts are issued. You can donate by credit card by going to our Donate button on the right or sending your gift to:

⁴In all my prayers for all of you, I always pray with joy ⁵because of your partnership in the gospel from the first day until now,
⁶being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.
